Letter No.5401/AH3-2/2024-1, dated 28.11.2024

From
Thiru. Satyabrata Sahoo, I.A.S.,
Principal Secretary to Government.

To
All District Collectors. (w.e.)

Sir/Madam,

Sub : Animal Husbandry Department -Jallikattu Event 2025 - Standard Operating Procedure (SOP) to be followed during the conduct of Jallikattu 2025- Regarding.

You may be aware that Jallikattu events (which also includes Manjuvirattu / Vadamaadu / Eruthu Vidum Vizha) are permitted to be conducted in Tamil Nadu during January to May every year as per the provisions enshrined under Prevention of Cruelty to Animals (Tamil Nadu Amendment) Act, 2017 and subject to Prevention of Cruelty to Animals (Conduct of Jallikattu) Rules, 2017 framed therein and in this regard, the Standard Operating Procedure (SOP) is issued by the Government every year to be followed by the District Officials, organizers, participants etc., under the overall supervision and control of Director of Animal Husbandry & Veterinary Services and Animal Welfare Board of India etc.

2. In order to facilitate the conduct of Jallikattu / Manjuvirattu / Vadamaadu / Erudu Vidum Vizha without inflicting unnecessary suffering to the animals that participate in Jallikattu / Manjuvirattu / Vadamaadu / Erudu Vidum Vizha events, the following action points may be strictly emphasized and enforced while granting permission to the conduct of the events and strictly enforced, while granting permission to the conduct of the above Jallikattu events together with the Standard Operating Procedure (SOP) and Check List appended to this letter:

Procedure for Conduct of Jallikattu in Tamil Nadu

1) Permission to conduct Jallikattu:

a) Permission to conduct Jallikattu should not be given to such organizers who do not obtain prior permission from the District Collector in

the manner prescribed under section 3 (2) of Tamil Nadu Prevention of Cruelty to Animals (Conduct of Jallikattu) Rules, 2017.

b) Permission must be given only for those events that are proposed to be conducted in the manner prescribed under section 3(2) of Tamil Nadu prevention of Cruelty to Animals (Conduct of Jallikattu) Rules, 2017.

c) Notification procedure strictly adhered. No illegal and Unnotified Events should be held.

2) Avoidance of unnecessary pain and cruelty to bulls:

The implementation of rules should be very strict with respect to avoidance of unnecessary pain or suffering to the bulls and to ensure the safety, security and well being of the bulls as mentioned under various sections of the Tamil Nadu prevention of Cruelty to Animals (Conduct of Jallikattu) Rules, 2017.

3) Official Jallikattu committee:

Ensure that the official Committee for conduct of Jallikattu events as per section 3 (4) of the Tamil Nadu Prevention of Cruelty to Animals (Conduct of Jallikattu) Rules, 2017 is constituted well in advance so that all the concerned Department officials are aware of their role in the conduct of Jallikattu events. **A Standard Operating Procedure (SOP) stating the role of every Department involved in the conduct of such events approved by the Government is appended to this letter.** The team of Tamil Nadu Animal Welfare Board constituted should be present during the event and report it.

4) Creating awareness among stakeholders:

Please ensure that all the preparatory arrangements are done in the manner prescribed. You may also conduct a stakeholders meeting so as to create awareness on the Tamil Nadu Prevention of Cruelty to Animals (Conduct of Jallikattu) Rules, 2017 and the importance of complying with the rules. The Animal Welfare Board of India and the Tamil Nadu State Animal Welfare Board shall sensitize the Standard Operating Procedure among Organizers regulating Officials and Participants.

5) Prior arrangements:

- i. Ensure that all the arrangements are in place, well in advance before the actual date of the event so as to avoid non compliance at the last moment.
- ii. Applications must be processed through online mode in the web portal newly developed for jallikattu events. (www.jallikattu.tn.gov.in).

- iii. All the stakeholders should be sensitized regarding online process, online registration of events, participants and bulls.
- iv. Undertaking from the organizers must be obtained along with the application for compliance of prescribed rules and circulars. They must also be instructed to enclose the copy of insurance made for the proposed event.
- v. The places without the precedence /evidence of Jallikattu conducted in the Village shall not be considered.

6) Spectator galleries:

Please ensure that the spectator galleries are created as per the rules prescribed under section 6 (1), 8 (1), 8 (2) and 8 (3) of the Tamil Nadu Prevention of Cruelty to Animals (Conduct of Jallikattu) Rules, 2017.

7) Documentation of the events:

Please ensure that all the activities are video graphed from the time the bull enters the event area until it leaves.

8) Check list:

A check list of the activities to be verified is enclosed for your information. You may ensure that all the activities mentioned in the check list are put in place so that the objective of avoiding unnecessary pain and suffering to the bulls is achieved.

9) Compliance report:

After the completion of every event, a detailed compliance report along with particulars of bulls and participants (In the prescribed excel format) should be uploaded then and there in the portal.

On no account, Jallikattu events should be permitted to be conducted in places other than the places notified by the Government in the State. Any deviation from this shall be considered as illegal and severe criminal action shall be taken against the individuals who are responsible for such illegalities. The reports of actions taken like filing FIRs, further legal action taken etc., shall be furnished to the Director of Animal Husbandry and Veterinary Services with a copy marked to the Government.

3. Regarding the conduct of the event of 'Jallikattu' in the State of Tamil Nadu, the 5 Judges Constitutional Bench of the Hon'ble Supreme Court of India on 18.5.2023 passed orders in Writ Petition (Civil) No.23 of 2016 that the Prevention of Cruelty to Animal (Tamil Nadu Amendment) Act, 2017 does not violate the fundamental rights as enshrined under Article 14

and 21 of the Constitution of India and upheld its validity. The Hon'ble 5 Judges Constitutional Bench of Hon'ble Supreme Court of India unanimously observed that the event of Jallikattu has cultural heritage and tradition in the State of Tamil Nadu and the Hon'ble Supreme Court of India, New Delhi expressed satisfaction that the bovine sports (Jallikattu) is going on in the State of Tamil Nadu for atleast last few centuries based on the materials placed before the Court and directed as follows:

... that the law contained in the Act/Rule/Notification shall be strictly enforced by the authorities and in particular, that the District Magistrates/ Competent authorities shall be responsible for ensuring strict compliance of the law, as amended along with its Rules/Notifications."

4. The aforesaid directions to be followed in toto in letter and spirit.

5. The receipt of this letter shall be acknowledged immediately.

Yours faithfully,

*D. L. Nandakumar
28/11/24*

for Principal Secretary to Government

Copy to :
The Director of Animal Husbandry and
Veterinary Services,
Chennai-35. (w.e)

**Standard Operating Procedure (SOP) for the Departments concerned
to ensure safe conduct of Jallikattu events**

The duties and responsibilities of the respective Departments are framed as below,

A. Directorate of Animal Husbandry & Veterinary services:

1. Issuing necessary guidelines and instructions for safe conduct of Jallikattu events.
2. Issuing a model layout for safe conduct of Jallikattu.
3. Processing applications received from the District Collector requesting notification for Jallikattu events.
4. Forwarding the eligible applications after verification of required documents to the Government for issuing notifications.
5. Formation of State Level Jallikattu Monitoring Committee and deputing officials of Animal Husbandry Department to monitor jallikattu events.
6. Obtaining compliance report for each and every event from the District Collector along with the data regarding participation, death and injury of both bulls and human.
7. Consolidation of acquired data and submitting the same to Government.

B. District Administration:

1. The District Administration under the Chairmanship of District Collector shall form a Committee for Jallikattu events comprising of officials from Revenue, Animal Husbandry, Police, Health, Fire & Rescue Services and PWD Departments, to oversee, monitor and ensure that the events are conducted in conformity with the prescribed Rules.
2. The District collector on receipt of applications from organizers requesting permission to conduct such events, shall form the above said committee comprising of officials concerned to the particular event.
3. The District Collector shall cause to form as many Inter-departmental teams as he or she may deem fit, with officers not less than the rank of Tahsildar, Deputy Superintendent of Police, Assistant Executive Engineer, Station Fire Officer, Block Medical Officer and Assistant Director (AH). A copy of the order may be attached to the letter recommending each Jallikattu event.
4. The District Collector shall ensure the sufficient officer's placement. Local Tahasildar, Sub Inspector of Police & Asst. Director AH&VS shall confirm in writing that all floor arrangements are completed by Organizers with their Satisfaction in accordance with Hon'ble Supreme Court, AWBI & TN State Guidelines, then only final approval shall be given by District Collector.
5. The District Collector shall convene a meeting for the Jallikattu Co-ordination Committee in the last week of December to explain the rules & regulations and distribute copies of SOP and list of registered Bulls.
6. The District Collector may in his or her discretion, cause to provide a Ceremonial entrance behind the Vadivaasal to permit the ritual passage of unspecified number of animals from the village or villages concerned. Under

no circumstance shall an attempt be made by anyone to tame any of such unregistered animals. In such venues separate Holding Yard may be provided for honouring the heritage of பாக்குவைத்தல்.

7. The District administration should ensure that all the arrangements have been made as per the check list. The District Collector shall peruse the checklist for compliance.
8. The Animal Welfare Board of India & Tamil Nadu State Standard Operating Procedure (SOPs) are very exhaustive and its implementation in letter & Spirit shall be ensured. Wherever any violation, non compliance, mal practicing is noticed, Collector shall cancel / postpone the Event.
9. Adequate publicity regarding the do's and don'ts in Jallikattu in a manner of creating awareness among all stakeholders (including organizers, spectators, animal owners, participants, officials) should be created by the District administration.
10. The District Administration is to verify for the compliance of end to end check list annexed in the Standard Operating Procedure (SOP) and the same is to be attached along with the event report (after the completion of the event)

The role of corresponding departments shall be assigned as follows:

1. Revenue Department

1. The RDO and his/her team shall inspect the selected venue for sufficient space and safety as mentioned in the Prevention of Cruelty to Animals (conduct of Jallikattu) Rules, 2017.
2. They shall check whether the application received contains proper undertaking by the organizers and also that the events are insured for suitable compensations as per the D.O.Letter Ref.No. 3813954/AH3/2022-5 dated 02.02.23 from the Principal Secretary to Government, Animal husbandry Dairying, Fisheries and Fishermen Welfare Department to all District Collectors.
3. They shall ensure that the applications contain the maximum number of Bulls to be permitted in the event along with a list of Bulls expected to participate in that particular event.
4. They shall verify the antecedents of the Organizers with regard to compliance/ violations that had occurred during the previous years.
5. They shall verify the authenticity and genuineness of the records produced by the organizers and submit report to the District Collector.
6. They shall file First Information Report (FIR) against the defaulters (organizers) who fail to comply with the rules.
7. They shall ensure the erection of shaded, double barricading from bull Holding Yard through Vadivaasal to Bull run area.
8. They shall ensure the erection of 8-feet barricade from Bull run area to Collection yard.
9. They shall ensure the erection of 8-feet enclosure with gates, in the Collection yard along with sufficient number of poles to restrain the Bull.

10. They shall also ensure that all the wells in the vicinity of around 5 km radius of the event site are closed.
11. They shall also verify that the event site shall be located as far away as possible from human dwellings.
12. They shall ensure zero violation at Holding Yard, Health Inspection area, Vadivaasal, Arena and Collection Yard by forming respective teams with atleast 3 officers not less than the rank of Deputy Tahsildar, Inspector, and Veterinary Assistant Surgeon
13. They shall send the compliance report after the Jallikattu event is concluded.

2. Animal Husbandry Department

1. Reginal Joint Director, Animal Husbandry (RJDAH) shall endeavour to complete online enrollment of all Jallikattu Bulls in the district.
2. RJDAH shall examine the Location properly and facilitate the approval of the layout for the proposed venue.
3. RJDAH shall depute necessary number of Veterinary teams including Holding Yard management team, Health Inspection Team, Vadivaasal management team, Bull run area management team, Collection Yard management team, Medical team, Emergency Response team etc.
4. The Transport of Animal Rules of Prevention of Cruelty to Animal (PCA) Act, 1960, Motor Vehicle Act, 1988, IPC 429 shall be complied by RJD in coordination with Transport and Police Official Team.
5. The Transport of Bulls by providing 2 square meter space as prescribed is ensured while issuing Health Certification at the time of commencement of journey.
6. The bulls shall be compulsorily subjected to Veterinary Examination by the Veterinary team deputed by the RJDAH concerned.
7. The participating bulls shall be examined for general health by clinical examination. Bulls showing symptoms of fatigue, dehydration, restlessness, etc., shall be summarily rejected. The bulls must have individual health certificates vouching for their fitness to participate in every event, duly certified by a Registered Veterinary Practitioner.
8. The bull shall also be specifically examined for possible alcohol abuse and any animal which is subjected to such abuse shall not be permitted to participate in the event.
9. Proper Health Check-up in all kind of Events shall be carried by Animal Husbandry officials in letter and Spirit.
10. Emergency veterinary care shall be provided in case of casualties by the Veterinary team deputed by the RJDAH concerned.
11. Presence of Animal ambulance shall be ensured at the event site.
12. **A veterinary team should be deployed in the collection yard to examine and provide necessary medical assistance to the bulls that have completed the run whenever needed.**
13. In case of death of a Bull in the arena, postmortem examination shall be conducted and report shall be submitted.

14. The Jallikattu Monitoring Committee shall issue NOC, only after assessing all arrangements and cooperation of organizers.
15. The Data Bank of Bulls and Tamers shall be made to reveal the number of repeated participation of same Bull and Tamer again & again attracting sever Human & Humane cruelty.

3. Health Department

1. The participants shall be put through a thorough fitness check-up by a medical team just before they enter into the arena.
2. It is mandatory that the participants shall be put through a checkup for any drug or alcohol intake.
3. The injured participants shall be given proper first aid and shall be rushed to nearby hospital if needed.
4. Emergency medical care and ambulance service shall be made available at the site.

4. Public Works Department

1. They shall ensure that the organisers adhere to the layout approved by the RJDAH.
2. A prescribed limit for the number of spectators to be allowed in the gallery shall be given by the PWD officials for every event based on its capacity.
3. The PWD officials shall certify that the spectator gallery and double barricading erected by the organizers are strong structures that can withstand the entire duration of the event without causing physical harm to the Bulls, participants and spectators alike
4. They shall ensure that the double barricading of the arena shall be at the minimum of eight feet height so as to deter the bulls from jumping/leaping over the double barricading.

5. Police Department

1. Adequate number of police personnel shall be deputed at the event site.
2. They shall ensure that law and order is followed in every manner during the conduct of the event.
3. Transport of Animal Rules of PCA Act, 1960, Motor Vehicle Act, 1988, IPC 429 shall be complied by Police Official Team in coordination with Transport and RJD.
4. They shall assist the officials of the Animal Husbandry department and the organizers in ensuring that Bulls are allowed into the Holding Yard, in the serial order approved by the District Collector.
5. They shall assist the Holding Yard management team in Identification of registered Bulls and ensure rejection of Bulls not registered for the event.

6. The police officials shall also ensure that each bull is embraced by one participant only. At no point of time shall two or more participants shall attempt to embrace the bull.
7. Appropriate legal action shall be taken on the violators of *Prevention of Cruelty to Animals(Conduct of Jallikattu) Rules, 2017* by the Police Department *suo moto*.
8. They shall coordinate with Animal Husbandry Department officials for location of their staff at vantage points.
9. The Police personnel shall follow closed circuit cameras for any violations or infliction of unnecessary cruelty on the bulls and immediately seize such offenders.
10. **The Police officials shall ensure that the Bull Collection yard is free from spectators, onlookers, general public. Except the Bull owners or their authorized representatives, all other persons should be removed from the bull collection yard.**

6. Fire & Rescue Service

1. They shall conduct detailed Pre-event survey at the event to check for vulnerable points.
2. They shall ensure that all the wells in the vicinity of around 5 km radius of the event site are closed before issuing No Objection certificate.
3. The fire service personnel with their vehicle shall be deputed for every event and their presence shall be ensured at the site during the entire event.
4. Trained personnel in animal rescue services shall be present.

7. Organizing committee

The Jallikattu event organizers play a major role in the conduct of such events as the whole responsibility lies with them. Some of the important duties and responsibilities of the organizers are as follows:

1. The organizers shall obtain prior permission for conduct of such events from the Government through the District Collector
2. They shall give request for conduct of such events in writing/through online well in advance 30 days prior the event date along with proper documents mentioning the proposed place and date of conduct of the event to the District collector
3. They shall submit an undertaking stating that they would abide by all the rules and regulations as per *Prevention of Cruelty to Animals(Conduct of Jallikattu) Rules, 2017* and assume responsibility for the entire event
4. They shall insure the entire event in the manner prescribed vide D.O.Letter Ref.No. 3813954/AH3/2022-5 dated 02.02.23 from the Principal Secretary to Government, Animal husbandry Dairying, Fisheries and Fishermen Welfare Department to all District Collectors.

5. They shall ensure that the applications contain the maximum number of Bulls to be permitted in the event along with a list of Bulls and their owners' details who are expected to participate.
6. Number of Bulls participation should not exceed to SOP.
7. They shall submit a layout for the proposed event, duly approved by the RJDAH concerned.
8. They shall submit the copy of agreement with Contractor to construct the approved layout without deviation
9. They shall erect shaded, double barricading from Holding Yard through Vadivaasal to Bull run area
10. They shall erect 8-feet double barricade from Bull run area to Collection yard
11. They shall erect 8-feet enclosure with gates, in the Collection yard along with sufficient number of poles to restrain the Bull
12. They shall affix sufficient number of banners as stipulated by the Government
13. They shall conduct the event in an open ground as far away from human dwellings as possible
14. They shall provide proper shelter, feed and fodder, adequate drinking water and enough rest to the participating bulls and shall ensure that the owner of the bull shall always be by the side of the bull to ensure the safety and security of the bulls.
15. They shall ensure that the bulls are put to proper test by the authorities of the animal husbandry Department and that no performance enhancement drugs, irritants, etc., are administered to the bulls in any form
16. They shall make arrangements for availability of food, drinking water and restrooms for the participants, officials and police personnel
17. There shall be a PA (Public Address) system at Holding Yard to announce the serial order
18. There shall be Security Cameras or Webcams/CCTV at vantage points, namely Vadivaasal, arena, bull run area and bull collection yard so as to monitor all the activities for violations, if any
19. They shall abide by the orders of the District Collector for peaceful conduct of the event.
20. The organizers should ensure that only one participant shall be allowed to embrace one bull.
21. The organizing committee should not collect any entry fee for issuing tokens to the bulls and participants.
22. Money should not be collected by the organizers.
23. Banners, hoardings that contain awareness material, do's and don't's for participants, bull owners, spectators shall be kept in vantage points as well as in the venues where Jallikattu events are conducted.
24. Bull Registration be done by the Organizers without any malpractices.
25. Tamers repeated participation in several events should be avoided.

8. Bull Owners

1. The bull owners shall give in writing that they shall follow the Prevention of Cruelty to Animals (conduct of Jallikattu) Rules, 2017.
2. The bulls shall be registered by the owners in the online portal created for the purpose.
3. The bulls participating in Jallikattu should be brought to the site following the Transportation of Animals Rules, 1978. Transport of Animal Rules should not be violated.
4. Adequate rest, feed and water should be given to the bulls and they should be subjected to health check-up before participating in Jallikattu.
5. After completion of the run, the bull owners should secure their animals safely from the collection yard and take them for Veterinary checkup.
6. The bulls after completing one event must be given sufficient days of rest before another event.
7. Only bulls of the age above 2 years and with a height of 120 cm shall be permitted. Cows or heifers are strictly forbidden in the event.
8. Bulls should not be forced to drink alcohol and practices like rubbing chilli powder on their eyes, twisting the tails, prodding with sticks and sharp objects etc. with the intention to aggravate the bull will not be permitted. Any owner indulging in any method of physical torture of the bull will be dealt legally.
9. The Usage of Rubber Bush on horns of bulls to provide safety restrict injuries and mortalities to other participating bulls, spectators and participants.
10. The Usage of the protective Gear of fixing the Light Rubber Bushes on the tip of Horns by Bull owners before commencing Journey till participation and Bull return shall be mandatory by Animal Welfare Board of India.

9. Participants

1. The participants shall be above 18 years old. They must register themselves before participating in the event
2. Participants shall wear the uniform prescribed by the Concerned officials. They shall not be seen sporting very loose fitting clothes and other talisman that can potentially result in injuries while participating in the event
3. They should not be under the influence of alcohol or any other psychotropic substances which can influence their physical abilities
4. They should subject themselves to a medical test for physical fitness and only after being certified fit shall be allowed to participate in the event
5. Only one participant shall embrace the bull at a time. If two or more are seen to be engaging the bull, both the participants shall be eliminated from further participation.

6. The participant shall not in any manner cause unnecessary pain and suffering to the bull.

10. Additional Guidelines for the Variants of Jallikattu:

All the prior mentioned rules and operating procedures hold good and remain valid for Manjuvirattu, Vadamadu and Erudu Vidum Vizha events in addition to the following rules and vice versa for jallikattu, wherever it is applicable.

- a) Manjuvirattu** -Manjuvirattu is an event almost similar to jallikattu conducted in an open ground where bulls are let free to run and the participants try to embrace the bull. Unlike jallikattu, there is no vaadivasal in manjuvirattu for bull entry.

Standard Operating Procedure for organizing Manjuvirattu event

1. Manjuvirattu should be conducted in a defined area with proper structures of arena, bull holding area, bull examination area, bull collection yard etc., as per the guidelines.
2. The length and breadth of the arena , length of bull run arena should be similar as prescribed for jallikattu
3. The participants should not catch the bull by its horns, tail or limbs
4. All the rules as per *Prevention of Cruelty to Animals (conduct of Jallikattu) Rules, 2017* shall be applicable for Manjuvirattu also

- b) Vadamadu** -Vadamadu is an event where a bull is tethered to a pole dug deeply inside the ground at the centre of a circular arena and participants are allowed to embrace the bull as in the case of jallikattu

Standard Operating Procedure for organizing Vadamadu event

1. Vadamadu is an event where a bull is tethered to a pole inside a circular arena and participants are allowed to embrace the bull as incase of jallikattu
2. The circular arena is divided into two as playing arena and outer arena
3. The entire circle diameter should be not less than 100 feet
4. The entire playing arena should be of 84 feet diameter in the inner circle and the distance between inner and outer circle should be 16 feet.
5. The length of the rope should be atleast 20 upto 40 feet,so that the bull can roam freely inside the arena
6. The pole onto which the bull is to be tethered should be dug firmly inside the ground with atleast 7 ft depth.
7. Outside the outer circle, a circular gallery should be erected maintaining the standard protocol
8. Each bull should be allowed only for a maximum time of 10 minutes. However, any bull which has been embraced within the 10 minutes shall be replaced immediately with another bull.

9. For a single round, 9 uniformed participants shall be allowed inside the arena to participate
10. Each bull shall be embraced by one participant only. At no point of time shall two or more participants shall attempt to embrace the bull.
11. As in the case of Jallikattu events, embracing the hump for 30 seconds or sustaining 3 jumps of the bull by any one participant shall be declared as victory. After the bull is embraced thus, the bull should be allowed to exit, and another bull shall be permitted.
12. The participants should not be allowed to twist, pull, bite or prick the tail during, before or post event. The participants should not hold the horns. Also locking the bull's legs is strictly prohibited.
13. The rules regarding Prevention of Cruelty to Animals Act (PCA 1960) must be broadcast and announced then and there by the organizers during the event.
14. The entire event should be insured in all aspects and CCTV installed for surveillance and the video graph of the event must be submitted to the District Collector
15. The participating bulls should be at least 3 to 4 years of age and proportionate body weight with hump. No exotic bulls should be allowed
16. 2 ambulances must be stationed along with 1 animal ambulance .The ambulance pathway should be smooth and unhindered.
17. In no way there can be any illegal betting or gaming during the event
18. After the event, the bull is rested in the collection yard fed water and fodder and after 20 minutes will be uploaded onto the vehicle using proper ramp facility
19. The bull assembly place shall have sufficient space, ventilated and sheltered and the bulls should be properly tethered
20. The Organizing committee should specify as to how many bulls will participate in the event for making proper accommodation and for providing prescribed quantum of fodder and water.
21. Each participating bull will be checked by a veterinary unit for doping, vision defect, locomotor disability, any ill health and for spraying of prohibited substances like powder and oil on the skin.
22. The bulls will be thoroughly examined for its physical ability
23. The bulls should be rested at least 20 minutes after arriving in the holding area before entering into the event arena.
24. The event must be conducted in open leveled ground and covered with coir pith. The ground should not be uneven or graveled or have a slope.
25. The entire playing arena should be of 84 feet diameter in the inner circle and 16 feet distance up to the outer circle from the inner circle boundary.
26. The entire circle diameter should not be above 100 feet in diameter
27. All the rules as per Prevention of Cruelty to Animals (conduct of Jallikattu) Rules, 2017 shall be applicable for Vadamadu also

- c) Erudu Vidum Vizha** – Erudu Vidum Vizha is bull race event where bulls are allowed to run one by one for 100 m and the one which reaches the destination in shortest time wins the race. There are no participants in this event.

Standard Operating Procedure for organizing Erudu Vidum Vizha event

1. Bull run area should be marked for a distance of 100 meters only.
2. A double barricade should be erected on both sides of the above bull run area. The barricade should be erected upto 200 meters with a gap of 2 feet in between.
3. Spectators shall not be allowed within 150 meters of the said security wall and only guards should be allowed on either side of the security wall. Beyond that, small barricades should be erected and spectators shall be allowed. The public works department should ensure the stability of these barriers.
4. The event shall be conducted only for a maximum of 5 hours.
5. Each bull should be allowed to participate in the competition only after it has been examined and certified as fit to participate in the event by a Registered Veterinary Practitioner.
6. After 200 meters, owners should be available at the collection yard to retrieve the bulls.
7. Veterinary teams should be available at both entry and exit
8. The entire bull run area should be covered with coir pith
9. To avoid head on collisions between the bulls, sufficient time should be given before letting each and every bull through vaadivasal. The next bull should be allowed to run after ensuring that the previous bull has reached the collection yard.
10. Prevention of public entry into the bull racing area or bull run area must be strictly monitored.
11. Teasing of bulls by slapping, hitting, sticking pointed sharp objects must be considered as violation of Prevention of Cruelty to Animals Act (PCA 1960) and necessary legal action shall be initiated.
12. All the rules as per Prevention of Cruelty to Animals (conduct of Jallikattu) Rules, 2017 shall be applicable for Erudu Vidum Vizha also.
